To

J B MALLARADHYA, Esq, M A,
Secretary to the Government of Mysore,
Revenue Department, Bangalore

Sir,

Estimate for providing Table Fans and Ceiling Fans to the Trust Board Office.

Referring to the correspondence ending with your letter No L 2079-25 dated the 7th February 1946, asking for my opinion on the estimate for Rs 2,930/- for providing 3 table fans and 3 ceiling fans for the Board Office in view of the fact that the office has since been shifted to a new building, I have the honour to state that 5 table fans and 5 ceiling fans are found necessary for destribution as follows:-

27/4

Table Fans

1	Chairman	1
2	Engineer Officer	1
3	Assistant Engineer (Trust Bd)	1
4	-do- (Drainage Divn)	1
5	Office Assistant	1

Ceiling Fans

1	Council Hall	1
2	Current Section	1
3	Accounts Section	1
4	Drawing Section	1
5	Room occupied by the Sub Overseers	1

The Superintendent, Power and Lighting, Bangalore was requested to send a revised estimate to meet the present requirements after inspection of the building if necessary Accordingly, the Superintendent has sent for acceptance a revised estimate* for Rs 2,267 for providing 5 table and 5 ceiling fans to the Board Office with his letter No. C.226, dated the 27th March 1946 This estimate was placed before the Board at its meeting on 30th March 1946, when the following resolution was recorded -

" RESOLVED that the present estimate for Rs.2,267/- received from the Electrical

*copy enclosed)

Department be approved and action taken to have the fans fitted up"

The urgent need for fans is obvious We are passing through summer and many members are complaining of unbearable heat during the meetings of the Board

In this connection, I may point out that Government in their order No 411-4/ML 149-45-10, dated the 18th July 1945, have already accorded sanction among other things to the purchase of 3 table fans and 3 ceiling fans. Since the market conditions have now improved 5 table fans and 5 ceiling fans now cost less than 3 table fans and 3 ceiling fans when the Electrical Department prepared their estimate for Rs.2,930/- The estimate sent with your letter No L 7995, dated the 7th February 1946 is herewith returned In view of the urgency, I have in the circumstances countersigned the revised estimate for Rs.2,267/- and returned it to the Superintendent, Bangalore Power & Lighting, for early execution and I request that my action may be kindly approved

I have the honour to be,
Sir,
Your most obedient servant,

CHAIRMAN,
City Improvement Trust Board,

Subject - Provision of Table fans to the Trust Board Office

With reference to your letter No 14397/W/R dated the 24th June 1946 enquiring whether in view of the fact that the building in which the office is now located is not a Government building it would not be sufficient to have only table fans omitting the installation of ceiling fans, I have the honour to state that the ceiling fans are necessary as they are intended for the Hall where the Board meeting is held and at places occupied by a large number of officials The table fans are intended only for the use of the Officers of the Trust Board The Ceiling fans can be easily removed and fitted up in the new building when the Board acquires one   It is learnt that the cost of installing a ceiling fan is only 2½ to 5% of the cost of the fan.and when it is removed to the new building, the wiring and the switch-already in use can be utilised there.

2   In these circumstances, I request that sanction of Government may kindly be obtained to the estimate for Rs 2,267/- as already recommended   The estimates received with your letter under reference are herewith retransmitted.
